

**FOOD FOR THOUGHT**

**Becoming the Body of Christ**

It's not a fair comparison, I grant you: but Elisha fed a hundred people with twenty loaves, and Jesus fed 5000 with five loaves. If you do the math, it explains why people were even more anxious to follow Jesus. Plus, there are the inexplicable twelve baskets left over at the end of the meal that Jesus orchestrated. No wonder they wanted to carry him off and make him king.

But Jesus doesn't come to regulate the economy of Israel or to provide welfare-to-work programs. He didn't come to set up a medical clinic or to treat mental illness. Though Jesus does feed some of the hungry and heal some of the sick, by no means did he put an end to suffering in his time or for all time. He left that challenge up to his followers. Jesus simply presents himself as the source of divine abundance, and invites us to come to the table and eat. This table's been serving meals for two thousand years, billions have been fed, and there's no end in sight to the feast.

You were all called to travel on the same road and in the same direction, so stay together, both outwardly and inwardly.

Reflect on the way a good meal satisfies: food, drink, atmosphere, conversation, company. Maybe even candles and flowers. Compare that meal with the Eucharistic meal we share. Celebrate a holy communion each time you share a meal.
